⁴For the insurance products linked to Cigna including: Baylor Scott & White Health Employee Plan (BSWHEP), and others

If the Service Provider is contracted with Cigna (but not Baylor Scott & White Health Plan), or if the Service Provider is an out-of-network Provider, please direct prior authorization requests to Cigna by calling (866) 494-4872

⁵No payment will be made for services, except Emergency Care, received in federal facilities or for any items or services provided in any institutions operated by any state, government or agency when the member has no legal obligation to pay for such items or services; except, however, payment will be made to the extent required by law provided such care is approved in advance by a Participating Physician, Participating Provider and Medical Director.

There are services and procedures which are not covered by Baylor Scott & White Health Plan or its subsidiaries. These are NOT on the prior authorization list because they are never covered. Coverage for procedures is explained in the Medical Policies.

The Medical Policy list can be found on our website at <https://swhp.org/prov/medical-resources#prov-medical-coverage-policies>.

For Prior Authorization requirements for specific codes, please use the “Pre-Auth Check” button located on the “Provider Portal” of our website, [SWHP.org](https://swhp.org). Line of business specific code requirements can be found at that location. The Health Services Department and Medical Directors can assist you with coverage questions. The toll-free phone number is 1-844-655-5200 (Medicare lines of business) or 1-888-316-7947 (all other lines of business).

Clinical Criteria are available upon request. A copy of the criteria used are available to providers via fax or mail based upon request. To request a copy of the clinical criteria, please call toll-free phone number is 1-866-334-3141 (Medicare lines of business) or 1-800-321-7947 (all other lines of business).

The listed services require prior authorization by Baylor Scott & White Health Plan. We also request notification for certain other services so that we may assist you and your patients with discharge planning, care coordination, and case management. All services must be medically necessary and appropriate and meet BSWHP coverage criteria where applicable. Claims will be reviewed to determine member eligibility at the time of service, benefit availability, evidence of coverage provisions, and claims payment agreements. Benefits are determined by each member’s plan. Newly published/assigned codes and new/emerging therapy services or technology not listed may require prior authorization to determine medical necessity. Check with Baylor Scott & White Health Plan before providing these types of services. This list is generally updated biannually but may change at any time. Please refer to the version currently in effect by visiting our website at swhp.org, clicking on the “Providers” tab, and then clicking on the “Prior Authorization Lists” link under “Important Message.”

Medicare Advantage (MAPD) Note: The above services rendered by participating providers require prior authorization by Baylor Scott & White Health Plan (BSWHP)/Baylor Scott & White Insurance Company (BSWIC). We also request notification for certain other services so that we may assist you and your patients with discharge planning, care coordination, and case management. All services must be medically necessary and appropriate, meet traditional Medicare coverage criteria where applicable, and, for HMO plans, be rendered by in-network physicians/providers (unless otherwise authorized in advance) in order to be eligible for payment. All services rendered by non-contracted providers, for HMO plans, (except non-contracted Pathology, Anesthesiology, Radiology, Emergency Department and Assistant Surgeon physicians providing services in a contracted inpatient facility) must be prior authorized to receive full benefits. Claims will be reviewed to determine member eligibility at the time of service, benefit availability, evidence of coverage provisions, and claims payment agreements. Benefits are determined by each Member’s plan. Authorization is not a guarantee of payment. Newly published/assigned codes and new/emerging therapy services or technology not listed may require prior authorization to determine medical necessity. Check with us before providing these types of services. This list is generally updated bi-annually, but may change at any time. Please
