| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall <a href="#">deductible</a> ?                                | \$7,500 per member / \$15,000 per family for a <a href="#">participating provider</a> and \$15,000 per member / \$30,000 per family for a <a href="#">non-participating provider</a> .          | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .  |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. <a href="#">Preventive care</a> and Affordable Care Act (ACA) preventive <a href="#">drugs</a> are covered before you meet your <a href="#">deductible</a> .                               | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="http://HealthCare.gov/coverage/preventive-care-benefits">HealthCare.gov/coverage/preventive-care-benefits</a> .  |
| Are there other <a href="#">deductibles</a> for specific services?              | No  | You don't have to meet <a href="#">deductibles</a> for specific services.   |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | \$9,100 per member / \$18,200 per family for a <a href="#">participating provider</a> and \$27,300 per member / \$54,600 per family for a <a href="#">non-participating provider</a> .          | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.   |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | <a href="#">Premiums</a> , <a href="#">balance billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.  | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .   |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="https://www.bswhealthplan.com/Page/Provider.aspx">https://www.bswhealthplan.com/Page/Provider.aspx</a> or call 844-633-5325 for a list of <a href="#">network providers</a> . | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |

| Important Questions  | Answers | Why This Matters:  |
